Projects
Chew View github.com/katiechurchwell/Chew-View
Scalable application to search for local restaurants and movies.
Built With: Server-side APIs (Travel Advisor and OMBD), JavaScript, and Materialize CSS.

Pantry whispering-reef-71968.herokuapp.com
Web application utilizing a back end with servers, databases, advanced APIs and user authentication. Allows the user to search for recipes by ingredient.
Built With: Node, Handlebars, Express (including express-sessions) and Bootstrap.

Experience
Executive Assistant, 2021
Reynolds School District, Fairview, OR
- Supported the Chief Academic Officer, Executive Director of Schools and Assistant Superintendent of Student and Family Services.
- Partnered with leadership to build both long and short-term project roadmaps. Operated proactively to organize, prioritize, and coordinate multiple work streams to meet deadlines.
- Conducted complex studies, research, and evaluations pertaining to administrative problems, projects, and assigned areas of responsibility.
- Coordinated an organization-wide diversity and inclusion training with Dr. Robin DiAngelo.

Environmental Educator, 2019 - 2021
Wenatchee River Institute, Leavenworth WA
Washington Service Corps at Moran State Park, Olga, WA
- Worked as part of a collaborative, agile team environment.
- Designed and implemented evaluation of impact of Field Education Programs.
- Lead and coordinated volunteer projects with several local youth conservation groups.
- Designed onboarding process; led training and provided mentorship.
- Used CRM tools (Firespring and Bloomerang) to support donor database management and communications including emails and mailings.
- Built authentic relationships within the community through outreach.

Retail Coordinator, 2016 - 2018
Harsch Investment Properties, Portland, OR
- Created and maintained internal asset databases and introduced additional time-saving measures.
- Domain-specific understanding of contribution to collateral and documentation.
- Reviewed technical architectural drawings and creation of property site plans for legal, marketing, and operations for over 2.2M square feet of property.

Education
Full Stack Web Development Certificate
2021 - 2022
University of Oregon Bootcamps

Bachelor of Arts in International Business
2013 - 2016
University of South Florida
